NOTICE

Regarding Temporary Server/Technical Issues

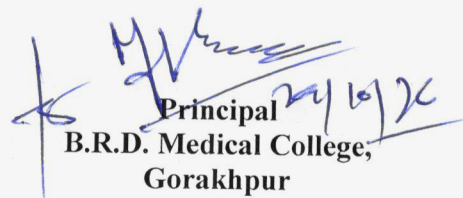

The Student Portal is presently undergoing **continuous development, testing and improvement**. Various modifications and additional features are being incorporated from time to time keeping in view the **requirements, convenience and ease of students**.

Due to these on-going technical changes, students may occasionally encounter **server errors, slow response, temporary unavailability, or other technical issues** while accessing the portal.

Students are therefore requested to **remain patient and cooperate with the College administration**. In case of a temporary server error, kindly wait for some time and try again later instead of making repeated attempts. Still if the issue remains then convey your issue via Email to STUDENTPORTAL@BRDMC.AC.IN with the necessary Screenshots if required. Please Don't call or Message the Office Staff regarding this.

The College is continuously working to improve the portal and provide a **smooth, reliable and convenient online system for students**.

Students are requested to regularly check the College website/Student Portal for further instructions and updates.
